

## Film Bazaar Online | November 20-25, 2021

### Viewing Room 2021

The 15<sup>th</sup> edition of NFDC Film Bazaar Online will be held from November 20-25, 2021. This will be the second Online-only edition of the Film Bazaar after the very successful first Online edition that took place in January 2021.

Viewing Room is a section within Film Bazaar that presents films from India and South Asia, which are complete or in post-production. These films are looking for film festivals, world sales, distribution partners and also finishing funds.

The Viewing Room will be accessible around-the-clock to registered film professionals worldwide. This platform has proven to have a 100 percent safety record and is piracy-free. Viewing Room is a highly restricted zone which connects Sellers (filmmakers) with Buyers (film programmers, distributors, world sales agents and investors) from around the world. Buyers are able to access details about the films as well as contact the filmmakers through the specially designed Viewing Room Software.

This year 159 films will be available to view in the Viewing Room Library of which 101 are feature films and 58 are short films. The Film Bazaar Recommends (FBR) list highlights 19 feature films and 5 short films.

The feature filmmakers from the Viewing Room will pitch their films to producers, sales agents, distributors, festival programmers and potential investors in an open pitching session online.
